

Raghu Sagi

Chief Information Officer

Raghu Sagi serves as Chief Information Officer of Inspire Brands, a multi-brand restaurant company whose portfolio includes more than 32,000 Arby's, Baskin-Robbins, Buffalo Wild Wings, Dunkin', Jimmy John's, and SONIC Drive-In restaurants worldwide.

Sagi is responsible for leading technology initiatives across the Inspire enterprise, including enhancing technologies for company and franchise restaurants as well as the overall digital experience for guests.

Prior to Inspire, Sagi served as Chief Engineering Officer for Sephora Americas (an LVMH brand), where he was responsible for Omni-Channel Digital, Retail, Personalization & CRM including Loyalty and Data Insights technology capabilities and platforms.

Prior to Sephora, Sagi held technology leadership positions at Walmart and Best Buy.

During his time at Inspire Brands, Sagi was named to the *Forbes* CIO Next List, recognizing the top 50 top tech leaders redefining the CIO role and driving game-changing innovation. He was also named to the CIO 100 list and the Constellation Research 2023 Business Transformation 150 list.

Sagi is an alumnus of Jawaharlal Nehru Technological University, where he received a Bachelor of Technology in Electronics and Communications Engineering. He also received a Master of Science in Electrical Engineering from Southern Illinois University Edwardsville.
